CURRICULUM OF STUDIES OF INTERIOR DESIGN

	Areas of Concentration	Subject Areas	Tipo	Subjects	Cred.
1º Year	EXPRESSION & REPRESENTATION	Artistic Fundamentals	core	Artistic Drawing	6
				Techniques in Graphic Expression	6
				Colour	6
				Volume & Space	9
				Analysis of Form & Composition	6
	APPLIED SCIENCES & TECHNOLOGY	Scientific Fundamentals	core	Psychology of Perception	6
				Mathematics	6
	HISTORY & THEORY OF ART & DESIGN	History & Theory of Art & Design	core	Physics & Chemistry applied to Interior Design	6
				History & Theory of Art	6
	PROJECTS & RESEARCH	Basic Projects	core	Systems of Representation	6
Theory & Methodology of the Project				9	
Workshop: Initiation to Projects				18	
total					90
2º Year	HISTORY & THEORY OF ART & DESIGN	History & Theory of Art & Design	core	History & Theory of Design	6
				History & Theory of Interior Design	6
	APPLIED SCIENCES & TECHNOLOGY	Science & Technology applied to Interior Design	specific	Raw Materials, Materials & Technologies applied to Interior Design	6
				Construction & Structures (I)	3
				Organization of Work Projects & Measurements	6
				Installations & Systems	9
	SOCIAL SCIENCES	Social Sciences & Legislation applied to Interior Design	specific	Organization & Legislation	6
Anthropology & Sociology				6	
PROJECTS & RESEARCH	Interior Design Projects	specific optional	Interior Design Projects	36	
				6	
total					90
3º Year	APPLIED SCIENCES & TECHNOLOGY	Science & Technology applied to Interior Design	specific	New Technologies applied to Interior Design	9
				Construction & Structures (II)	6
				Bionics & Ergonomics	6
				Quality Control	3
				Acoustics & Illumination	6
	SOCIAL SCIENCES	Social Sciences & Legislation applied to Interior Design	specific	Design Economy & Management	9
				Marketing	9
				Interior Design Projects	12
	PROJECTS & RESEARCH	Interior Design Projects	specific	Conditioning & Renovation of Buildings & Spaces	12
					18
total					90
Dissertation					3
Total Credits degree					273
